Wine list  
Cocktails / Beer / House Wine/ Cider /  
Perry / Soft

Welcome to Holm.

In honour of the beautiful and rich Somerset terroir we find ourselves nestle amongst, we've put together a little list of wines, cider, beers, cocktails inspired by the land, the people and the produce all around us.

The list, we hope, has a quirky sense of duality, keeping one foot in the traditional, whilst pivoting off to explore likeminded corners and niches in the world of drinks.

We hope you will join us on that journey.
